Recycling

WHAT YOU CAN DO

When you see litter on the street
And the air smells of pollution
When you feel like it is all piling up
Remember there is a solution

There's something each of us can do
To keep the rivers clean
To keep fresh the air we breathe
And keep the forests green

Help clean a beach
Or recycle bottles and cans
Learn about the problems we face
And help others understand

It doesn't have to be a lot
If we each just do our share
So take some time out your day
To show the Earth you care.
