

Week 8: (8 – 12 June)

Dear Parents and Guardians of Grade 3 learners

This week we are doing the ui sound in Afrikaans.

On Monday and Wednesday, the learners have to fill in the missing sound, but they also have to see if they can remember what each word means in English. On Tuesday they have to look for the correct word to fill into the sentences. The children must please read the sentences aloud a few times. On Thursday the children have to colour the words with the ui sound light green and on Friday must draw the pictures for each word.

Wishing you all well.

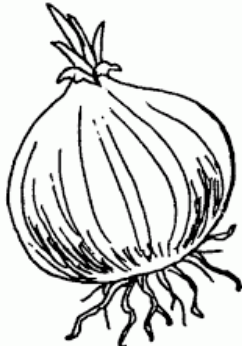

Best wishes

Ms Nortje (Afrikaans Educator)

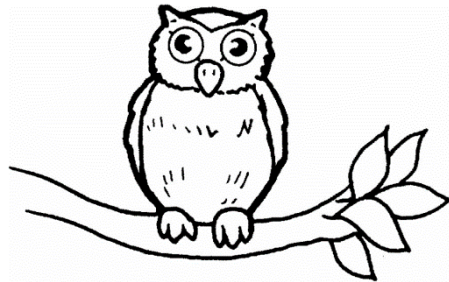

Monday – 8 June

ui klank

___ (onion)

___ (owl)

m___s (mouse)

h___s (house)

br___n (brown)

h___l (to cry)
